

It's A Lie

Peace of mind may come to me.
Open my eyes just to see,
Is it them or is it me?

Shot myself in the back this time.
Whirled around and try to find.
Holed up in my mind, now it's fine.
It's a lie, it's a lie, it's a lie

Fortune may come to me.
Kill myself so I can see...

If I am blind why can I see?
Control my soul and set me free.
It's all so simple or can't you see?
It's a lie, It's a lie, It's a lie

Tell me why I feel this way...
What is this game? Anyway?
Whatever more could I say?
It's a lie, It's a lie, It's a lie

I'm so useless is it right?
I'm so useless Can I fight
I'm so useless Leave me be
I'm so useless Can't you see?

Peace of mind may come to me.
Open my eyes just to see,
Is it them or is it me?

Shot myself in the back this time.
Whirled around and try to find.
Holed up in my mind, now it's fine.
It's a lie, it's a lie, it's a lie

It's a lie (repeat)
